

CIGISPED S.R.L. PRIVACY NOTICE

We inform you that, pursuant to EU Reg. 2016/679 (GDPR), fully incorporated in Legislative Decree 101/2018, Cigisped Srl, with registered office in Genoa, Via Bartolomeo Bosco 57/7, will process your data according to the following methods:

1. Privacy subject matters

The only personal data (eg name, surname, address, telephone, e-mail) you have communicated during the pre-contractual negotiations and / or the execution of the contractual relationship with our company. The processing performed do not involve the use of automated decision-making processes, including profiling and are not subject to distribution.

2. Purpose of the processing

The establishment or execution of pre-contractual or contractual relationships or the fulfillment of legal obligations to you and / or your company.

3. Legal basis of the processing

The provision of such data is a necessary requirement for the establishment and maintenance of contractual or pre-contractual relations with Cigisped S.r.l. and for the fulfillment of legal obligations including those provided for by anti-money laundering and anti-terrorism legislation. There is also a legitimate interest in processing to ensure the provision and continuity of services. For these categories of data, your express consent is not required (Art. 6 GDPR).

4. Methods and place of processing

Data processing takes place at our headquarters and in the cloud at the responsible external supplier

data archiving services on automated or paper support, in compliance with the rules of confidentiality and security required by law, implemented by internal procedures and by the use of latest generation encryption systems, firewalls and antivirus.

Your personal data, subject matter of the above mentioned purposes, will be kept for the duration of the commercial collaboration (establishment of negotiations, execution of the contracts) and, subsequently, for the time in which Cigisped S.r.l. is subject to storage obligations for tax purposes or for other purposes, provided for by law or regulation.

5. Access and communication of data

Your data may be made accessible and communicated only for the operational purposes and / or provided for by the law referred to in Article 2 to our employees, auxiliaries in the execution / performance of the appointment received, professionals, consultants, authorities responsible, senders, receivers or their agents.

6. Data transfer to be reviewed

The management and storage of personal data will take place in the EU, on our servers located at our headquarters and / or third-party companies in charge, in this case duly appointed as Data Processors.

Storage of personal data
